**Suffolk Young Farmers Country Fair
Sunday 29th April 2018 at Easton Farm Park
VINTAGE MACHINERY EXHIBITORS**

Dear Fellow Vintage Owner,

This year's event is planned to be larger still, with more activities, ring events and contributors, and we are going to increase the publicity to encourage the public to join us for an inexpensive and enjoyable family day out.

I would hope that you can join us and bring your vintage tractors with equipment if possible, horticultural and pedestrian controlled equipment or vintage "static" machines. With your help, a worthy display of "old time" kit can be displayed that will be enjoyed by the public and other enthusiasts as will the display in the ring which always attracts a good crowd.

If you are able to support this very worthy cause, please complete and return the form below with a copy of your **Public Liability insurance and Road Traffic Act Insurance.** (the latter is now a legal requirement for tractors which move on site for parades etc. while the site is open to the public). These will be returned to you when I send you acknowledgement of your application.

Best wishes, and many thanks,

Chris
